Think you know your favourite fictional universes inside out? It's time to prove it! Fandomania brings together creativity, pop culture knowledge, and immersive challenges across three exciting rounds. Teams will first take on the role of filmmakers, creating original continuations of existing Marvel or DC movies and bringing their ideas to life on screen. Next, they'll face a series of increasingly difficult trivia challenges spanning multiple fandoms. And for the final test, participants will enter the unsettling world of Freddy Fazbear's Pizzeria, where a seemingly ordinary night shift becomes a race against time. From cinematic imagination and encyclopedic fandom knowledge to uncovering secrets and surviving the unexpected, this category has something for every kind of fan.

**Round 1:**

Teams will be challenged to create their very own movie based on an existing Marvel or DC film. Using a real movie as their starting point, participants must imagine what happens next and develop an original continuation of its storyline. From unexpected plot twists and new villains to surprising alliances and alternate endings, the possibilities are endless. Participants will have the creative freedom to develop their own storyline while keeping it connected to the original movie and its universe. The final creation must be presented in video form, submitted till the deadline provided

**Round 2:**

Think you know your fandoms? It’s time to put that knowledge to the test! Get ready for multiple exciting rounds packed with questions ranging from easy warm-ups to brain-melting challenges. Each round features 12 questions: 4 Easy, 4 Medium, and 4 Hard. The difficulty ramps up as you go, so stay sharp, trust your fandom knowledge, and see if you have what it takes to make it to the top. Multiple fandoms will be tested here.

**Round 3:**

Five nights. One secret. Can you make it out?
Welcome to the Escape Room. Step into the eerie world of Freddy Fazbear’s Pizzeria, where the animatronics roam after dark and not everything is as it seems. What begins as an ordinary night shift quickly turns into a race against time as the security system locks down the building.
Participants will be trapped inside a mystery that goes beyond escaping. To make it out, they must solve puzzles, uncover hidden clues, investigate suspicious records, and identify an imposter hiding among them.
